## **Island School Uniform**

In June this year, Island School will transition to online sales of school uniform. Online sales will offer convenient access for orders and delivery will be direct to home.

For our incoming Year 7 families, the school will be arranging opportunities for students to fit samples of the uniforms, prior to placing orders. You will shortly be receiving an email giving further information about this and we urge all families to take advantage of the opportunity for fittings which will be held during the month of June. The email will also include information regarding return and exchange procedures.

Year 7 families are asked to take special note: All orders placed prior to the end of June are guaranteed to be delivered in full by early August. However, if you do not place your order before the end of June, then we cannot guarantee that all items will be in stock.
