25 June 2021

Dear Parent/s,

I am very much looking forward to the new school year. My staff have been working extremely hard and are well prepared to ensure that next year will be remembered as one of Island School's most successful.

I would like to especially welcome all the families to Island School. You and I will share the bond of starting at this wonderful organisation at the same time and rest assured that I won't forget the challenges that being new can present.

I felt very fortunate to be involved at the year 7 induction day to witness the wonderful bond that is already forming between the new students, the older students and the staff. It was very special and will ensure that will contribute to a very productive start to the school year.

It is very important that parents know the routines of the school so they can support their young person to get the most out of every Island School day.

Enclosed in this package is very important information including a provisional school calendar, induction week arrangement, stationery pack, uniform instructions, school bus application information and so on.

I wish all the students a happy and safe summer break, and I look forward to welcoming you at the start of the new school year.

Yours sincerely,

Stephen Loggie
Principal
